

# December

3<sup>rd</sup>, 2013

## This week:

Students worked on creating some fun winter crafts in garden club! We had a fun time being creative and sharing ideas with our friends. Last garden club meeting, students had fun decorating leaf sugar cookies! Garden club members could put on frosting, and sprinkles!

## News:

\*The garden club website is up for you to view! You can find the website by looking under my name in the Maple Staff Directory on the North Olmsted City School Website. All newsletters will be put on here as well! The link for our website is:

[http://  
maplegardenclub.weebly.com](http://maplegardenclub.weebly.com)

I hope you have fun viewing all the wonderful activities your children take part in every week!
