

December

10th, 2013

This week:

Students had fun decorating gingerbread houses! All students were given a graham cracker gingerbread house, icing, and candy to decorate. Pictures will be put onto our website soon! Students also created holiday cards to send to our service men and women when they were finished.

News:

The garden club will be having a pizza party next Tuesday, December 17th.

We are having a pizza party as a reward for our leaf raking day in November.

*I have two meetings in January which will affect garden club meeting. We will not be meeting on January 7th or 14th, as a result of these meetings. After winter break, our next meeting will be on January 21st.
